ELMBRIDGE PHOENIX SWIMMING CLUB

ACS Cobham Pool Access Instructions

At the gate (Security Hut), please state that you are there for Elmbridge Phoenix Swimming Club.
For parking please use Car Park A - take a left after the gate - this is where the carpark is located.
Walk down the path next to the football pitch. The sports centre will be in front of you.
See the map below.

Allow at least 10-15 mins to walk down to the sports centre. When you arrive, please state that you are there for Elmbridge Phoenix Swimming Club.

Instructions for swimmers on general trial

Someone from Elmbridge Phoenix will meet you at the venue, near the sports hall reception desk, where we will check you in and swimmers can go down to the changing rooms.

We ask swimmers coming already changed as this will help us to ensure we can run the trial smoothly. ACS has a strict policy for changing rooms where no parents are allowed for safeguarding reasons. Please ask children to remove their shoes before entering the changing rooms which are located downstairs.

After the trial, swimmers can change in the changing room and head upstairs, where it is expected parents will be waiting for them. Please make sure you remain on site as the pool/changing room policy can be challenging with smaller children.

We appreciate your collaboration.

Instructions for swimmers on squad trial

We ask swimmers to come already changed. ACS has a strict policy for changing rooms where no parents are allowed for safeguarding reasons. Please ask children to remove their shoes before entering the changing rooms which are located downstairs.

A coach will be already poolside, if not please tell the swimmers to wait, and do not enter the pool without the coach being present.

Squad trials are between 1 to 2 hours long (dependent on the squad), as these are happening during our normal squad training.

After the trial, swimmers can change in the changing room and head upstairs, where it is expected parents will be waiting for them. Please make sure you remain on site as the pool/changing room policy can be challenging with smaller children.

We appreciate your collaboration.

Important information to all

Only swimmers are permitted in the changing rooms — parents can watch from the gallery upstairs.

Parents/carers must remain on site and collect children at the end of their trial.

Use of phones (camera/video recorders) are not permitted in the changing rooms. Please keep them in your bags or in your pockets whilst staying in the changing rooms and changing area.
